David became a cop to please his father, not himself. But when a desperate plea pulls him into an off-the-books investigation, he stumbles into a truth that was meant to stay buried,

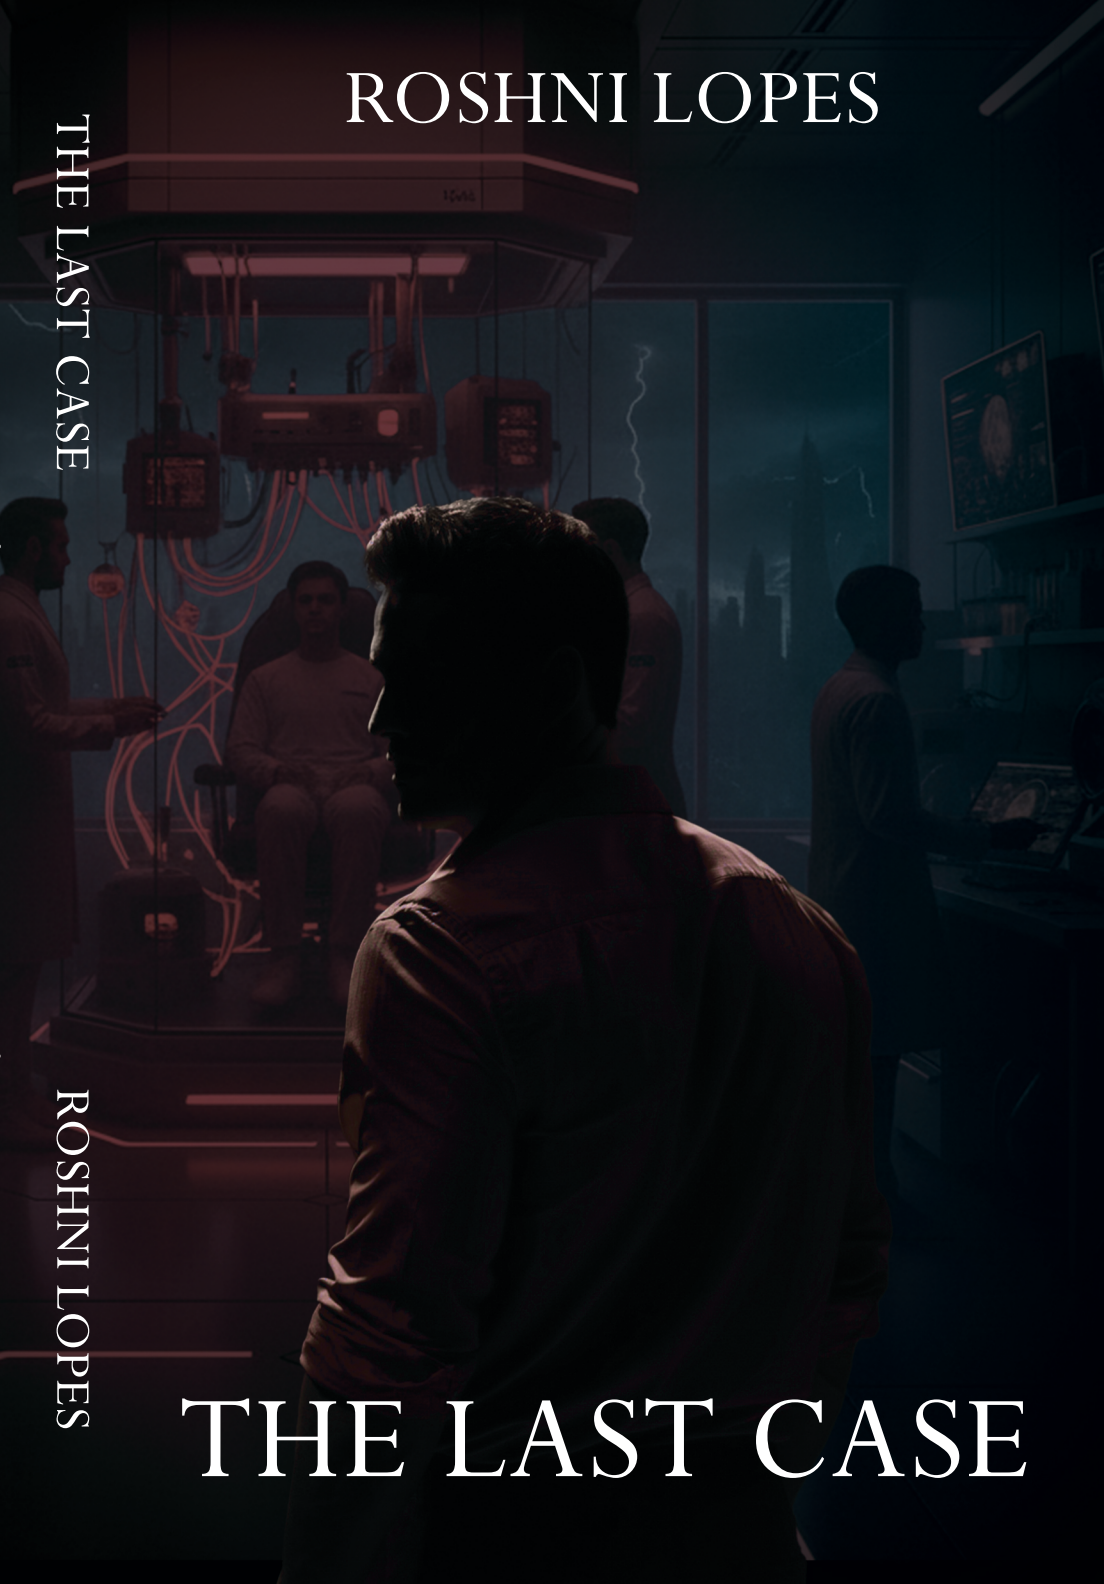

When one of those experiments goes horribly wrong, the city erupts into chaos. With society crumbling, David and his sharp-witted partner, Jake, fight to protect the last survivors. But as the nightmare escalates, David's world is shattered, his father is killed and Jake makes the ultimate sacrifice.

As he stands amidst the ruins, gun in hand, one terrifying truth becomes clear: there may be no way out.

Roshni Lopes is a new writer with a passion for storytelling who loves fictional. THE LAST CASE is her debut. She enjoys hobbies such as reading and painting. Roshni Lopes is excited to share her work with the world and continue growing as a storyteller.
